

# Vita-Guard™

**An immune-supporting, growth promoting herb based tonic.**

Non-toxic plant extracts can also be combined with foliar fertilisers to offer a valuable chemical-free option for bio-balancing.

## Benefits

- Biological Farmers of Australia (BFA) registered product 456AI.
- Vita-Guard™ is the key to chemical-free crop production and involves the unique application of Traditional Chinese Herbal Medicine to improve plant health.
- Vita-Guard™ has received several awards for the promotion of “clean green agriculture” in China where it was developed and is the end-product of over 20 years of research.
- Fully organic product suitable for conventional or organic gardening.

## PACKAGING

**5 L, 20 L, 200 L, 1000 L**  
**Product Code: VG**

# Vita-Guard™

## Application Rates

**Foliar:** (minimum dilution 1:100)  
2 - 4 L per ha

**NOTE: Do not apply in the 2 weeks prior to flowering or during flowering.**

## Miscellaneous

- **Storage & Disposal** - Store in the closed, original container in a dry, cool, well ventilated area out of direct sunlight. This organic product can be damaged by heat and should be protected at all times from high temperature. Rinse drums before disposal and dispose of empty drums at a local dump site. Empty containers should not be burnt.
- Avoid spraying before harvest if fruit & vegetables are susceptible to staining.
- Do not combine with alkaline materials as this may deactivate the key ingredients.
- Spray coverage (upper and lower surfaces of the plants) is important for maximum results.
- Needs a very thorough shake or stir to ensure even distribution of botanicals.
- Always perform a "jar test" to test compatibility before mixing with other materials.

## Typical Analysis w/v

Nitrogen.....	1.75%
Phosphorus.....	0.35%
Potassium.....	0.35%
Sulphur.....	0.7%
Calcium.....	0.35%
Magnesium.....	0.035%
Iron.....	45 mg/L
Molybdenum.....	45 mg/L
Copper.....	35 mg/L
Boron.....	450 mg/L
Manganese.....	45 mg/L
Zinc.....	370 mg/L

## First Aid & Safety

Handle with care and observe standard safety precautions - **KEEP OUT OF REACH OF CHILDREN.** This product contains herbal extracts that may cause irritation in some people.
